Name / Contact email for financial contact person at your institute: (This is the person ANZMES should send a research contract to, should your funding request be successful. The email address must be an official institute address, not a personal email address).

MILESTONES (optional)

Submit Funding Application via email: info@anzmes.org.nz

Please ensure you have fully read and understood the regulations, and fit all requirements of the regulations before submitting this application.

Your funding request will be considered by the scholarship subcommittee and successful applicants will be advised within six weeks of the application close off date.

You will be advised in writing by email whether your funding request is successful.

ANZMES will send a contract to your financial contact person. It is up to them to obtain the relevant permissions and signatures, and provide appropriate information. This contract is a legally binding document and serves to protect both ANZMES and the tertiary institution. Any funds received from ANZMES must be used for the purposes of the research outlined in this document and the contract. When the financial contact person has returned the signed contract, ANZMES will arrange payment by electronic bank transfer, by the agreed upon payment date.
